- If payments have not been received for three consecutive months or if more than six payments are missed in a 12-month period, this loan will be declared in default, and interest will be charged at the rate of 1-1/2 percent per month (18 percent APR) on the entire loan balance from the date repayment was to commence (six months after graduation) or the date the last payment was received, whichever is latest. In addition, Bootstraps may commence collection proceedings for which Borrower would pay reasonable attorney's fees and all other costs for the collection of amounts owed on this agreement, as permitted by law. As of April 2017, the rate charged for collection is 25% of the loan balance including accrued interest. Additional charges may also apply.

GRACE PERIOD

Borrower will receive a 6-month grace period on repayment of Borrower Bootstraps loan(s). The grace period begins the day after Borrower ceases to be enrolled for at least 12-credit hours at an eligible school.

REPAYMENT

Borrower must repay the full amount of the loan made under this agreement. Borrower will repay this loan in monthly installments during a repayment period that begins on the day immediately following Borrower's 6-month grace period.

Borrower has a choice of repayment plans. Borrower will select a repayment plan at the end of the grace period. If Borrower does not select a repayment plan, Bootstraps will choose a plan for Borrower. The combined balance of all Borrower's Bootstraps loans will be used to determine Borrower's monthly payment.

Standard Repayment Plan

Under the Standard Repayment Plan, Borrower will make fixed monthly payments and repay Borrower's loan in full according to the following table (not including periods of deferment or forbearance).

Once Borrower chooses a repayment plan, Bootstraps will provide Borrower with a repayment schedule that identifies Borrower payment amounts and due dates. If Borrower intends to repay Borrower's loan but is unable to make Borrower's scheduled loan payments, Bootstraps may grant Borrower a forbearance that allows Borrower to temporarily stop making payments or to temporarily make a smaller payment amount, which extends the time for making payments.

Borrower may prepay all or any part of the unpaid balance on Borrower's loan(s) at any time.

Borrower must make payments on Borrower's loan even if Borrower does not receive a bill or repayment notice.

ACCELERATION AND DEFAULT

At the option of Bootstraps, the entire unpaid balance of a loan made under this agreement will become immediately due and payable (this is called "acceleration") if Borrower defaults on the loan.

1. Payments have not been received for three consecutive months, or
2. Borrower has missed more than six payments in a 12-month period.

If Bootstraps does not enforce or insist on compliance with any term of this agreement, it does not waive any of its rights or the terms set forth herein. No provision of this agreement may be modified or waived, unless done so in writing. If any provision of this agreement is determined to be unenforceable, the remaining provisions will remain in force.

If Borrower cannot make Borrower's scheduled loan payments, but does not qualify for a deferment, Bootstraps may give Borrower a **forbearance**. A forbearance allows Borrower to temporarily stop making payments on Borrower's loan, temporarily make smaller payments, or extend the time for making payments.

- While Borrower is in a full-time course of study in a graduate program;
- While Borrower is in an approved full-time rehabilitation program for individuals with disabilities;
